BETTER THAN GOLD! PORTSMOUTH, July 9, 1851.

Mr. J. E. BOUSH—Dear Sir: I feel it a duty to make known the benefit I have derived from Dr. Hampton's VEGETABLE TINCTURE. For a number of years I known the benefit I have derived from Dr. Hampton's VEGETABLE TINCTURE. For a number of years I suffered from disease, but to a greater degree for the last three years. One of the forms of my disease was dyspepsia. From this dreadful malady I suffered to such an extent that life was really a burden. The attack of it on me was different to that on any other person of whom I have heart; at times it was like the palpitation of the heart; there was a constant thumping and beating without intermission about the region of my heart, chest, and stomach; some of the attacks would last for weeks; my stomach was much distended, with constant pain, great weakness, and constipation of the bowels. I could not eat the most simple food without pain. I also suffered greatly from disease of the kidneys, with constant pain in the back, that I could walk only with great difficulty. I tried nearly all of the most celebrated patent medicines of the day, but found no relief. I had also the nest medical attendance. One of my physicians frankly told me it was of no use for me to be paying him for advice, as he could do tre no good. I gave up almost in despair, and thought my disease certainly incurable.

At this juncture I beard of Hampton's Vegetable Tincture. I refused to give it a trial, although persuaded by my friends, until my son purchased a few bottles, and requested me to try it; after taking it a few times, it had a most happy effect on me; my confidence increased, and after taking three bottles, my dyspepsia, or disease of the stomach, was nearly if not entirely cured. I now feel myself a new man, and in better health than for years. I am certain the cure in my case was made by this llampton's Vegetable Tincture alone. Since my cure I have

myself a new man, and in better health than for years. I am certain the cure in my case was made by this Hampton's Vegetable Tincture alone. Since my cure I have recommended the tincture to a number of my friends, who have also been relieved by it. Some of the cures have been as rapid and equally wonderful as mine.

I present my respects to Messrs. Mortimer & Mowbray, the proprietors of this valuable medicine, and say to them its value is above price; and from my cure, and what I have seen of its effects on others, I shall ever feel it my duty to recommend it to the suffering. I have no doubt many valuable lives will be prolonged by its use. I hope the afflicted will cast aside their prejudices and give it a trial. Yours most respectfully, (Signed)

trial. Yours most respectfully, (Signed)

The above is extracted from a letter from a gentleman sixty years of age, and of high character. He says: "I have given but a faint idea of my sufferings; I feel inadequate to the task." We also have received, in the last few days, letters from two of our most worthy and well-known citizens, giving two remarkable cures of spinal disease. But yesterday one of the oldest merchants reported that he was cured of neuralgia of the head, of years standing, and so bad that his teeth fell out from its effects. Call and see letters. Was there ever so many cures, wonderful cures, made by any other medicine. All we ask of the afflicted is that they try Hampton's Vegetable Tincture, the great purifier of the blood and cure for all chronic diseases, as dyspepsia, rheumatism, scrofula, and all complaints of the stomach, bowels, &c.

Defeat and Death of Gen. Enna, Anticip Capture of Havana.

The following highly important despate

SUCCESS OF LOPEZI

received from the editor of the Savannah Morning News last night:

SAVANNAH, Sept. 1, 11½ p. m.—The sohr. Merchant arrived here to-day, with Havana dates to the 23d of August. Her news is of intense interest and highly encouraging for the Patriots. Since the 13th, Gen. Lopez and his gallant army had encountered the Spaniards in several contests, in all of which the latter had

been defeated with very heavy loss.
On the 17th a battle occurred, in which Gen-Enna, Commander-in-chief of the Queen's forces, was killed, together with a large number of officers and men. Lopez is marching upon Havana at the head of an army of one thou-sand five hundred or two thousand men, which is daily receiving large accessions from the sur-rounding country. The Spanish troops are rounding country. The Spanish troops are completely cowed by the frequent reverses which they have sustained. Gen. Enna was buried with great pomp in Havana on the 20th. The greatest excitement and consternation prevailed in that city, as there were only seven hundred of the troops there, who could oppose but a

eeble resistance. New York, September 1.—A fire occurred at Newtonville this morning, which destroyed the store and dwelling of Mr. Cook, and the store of A. F. Alexander. The loss is \$7,000, upon which there is a partial insurance.

Nonfolk, September 1 .- The schr. Josephine. of New York, is ashore at Currituc with a cargo of lumber. There is no one on board. The brig Antelope, from New York for Marseilles, is ashore on Cape Henry. The vessel is broke in two and the deck load lost. The schr. Susan and Mary, of New York for Georgetown, with an assorted cargo, put in leaky and dismasted.

New York, September 1, 9 p. m.—Port au Prince dates to August sixteenth have been re-ceived. Devoted to African Colonization and Civilization, to Literature and General Intelligence.

THE undersigned propose to publish, in the City of Washington, a weekly newspaper, bearing the above title, and dedicated to a sound morality in Politics, to the Union of the States, to the cause of African Colonization and Civilization, and to all topics of a high and general interest to their country and mankind. They will endeavor to impress upon the People and Government of the United States and of the several States the importance of colonizing in Africa, with their own consent, the free people of color of this country, and such as may become two. They will communicate to the public all important information they may obtain in regard to the Geography. Exploration, Resources, Commerce and Population of Africa; the state of the Slave Trade, and the measures best adapted for its suppression; and will enforce the duty of union among all Christian denominations in efforts to diffuse the knowledge of our Arts, Liberty, and Christianity, among the barbarous people of that Continent.

They will aim to render the journal an instructive and useful Family Newspaper, and to secure for its columns, as the public favor shall enable them, contributions, literary and scientific, of decided merit.

THE CRUSTIAN STATEMAN will be of the size of the Home Journal or National Era, and exceed in size the Intelligencer or the Union of this city; and, with but few advertisements, will be nearly filled with matter designed to be of interest to its readers.

It will be printed with new type, on fine white paper, and, in mechanical execution, be equal to the best newspapers in the country.

and, in mechanical execution, be equal to the best news-papers in the country.

BLACKWOOD'S MAGAZINE,

BLACKWOOD'S MAGAZINE,

AND THE

BRITISH QUARTERLY REVIEWS.

WING to the late revolutions and counter-revolutions among the nations of Europe, which have followed each other in such quick succession, and of which "the cal is not yet." the leading periodicals of Great Britain have become invested with a degree of interest hitherto unknown. They occupy a middle ground between the hasty, disjointed, and necessarily imperfect records of the newspapers, and the elaborate and ponderous treaties to be furnished by the historian at a future day. Whoever reads these periodicals obtains a correct and connected account of all the important political events of the Old World, as they occur, and learns the various conclusions drawn from them by the leading spirits of the age. The American publishers therefore deem it proper to call renewed attention to the works they publish, and the very low prices at which they are offered to subscribers. The following is their list, viz:

THE LONDON QUARTERLY REVIEW,

THE LONDON QUARTERLY REVIEW,
THE EDINBURGH REVIEW,
THE NORTH BRITISH REVIEW,
THE WESTMINSTER REVIEW, and
BLACKWOOD'S EDINBURGH MAGAZINE.

Blackwood's Eninkeren Macaine.

In these periodicals are contained the views, moderately though clearly and firmly expressed, of the three greatest parties in England—Tory, Whig, and Radiesl; "Blackwood" and the "London Quarterly" are Tory, the "Edinburgh Review" Whig, and the "Westminster Review" Liberal. The "North British Review" owes its establishment to the last great ecclesistical movement in Scotland, and is not ultra in its views on any one of the grand departments of human knowledge. It was originally edited by Dr. Chalmers, and now, since his death, is conducted by his son-in-law, Dr. Hanna, associated with Sir David Brewster. Its literary character is of the very highest order. The "Westminster," though reprinted under that iffle only, is published in England under the title of the "Foreign Quarterly and Westminster," it being in fact a union of the two Reviews formerly published and reprinted under separate titles. It has, therefore, the advantage, by this combination, of uniting in one work the best features of both, as heretofore issued.

The above Periodicals are reprinted in New York, immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are faithful copies of the originals—Blackwood's Magazine being an exact fac simile of the Edinburgh edition.

of Geology, Massachusetts.

Amherst College, Dec. 25, 1848.

Mr. Robert Sears—Dear Sir: I have looked over the entire series of your valuable publications with mucl: interest and profit; and am quite surprised at the amount of literary labor you have performed, and the research it must have cost you to obtain so many fine illustrations, while you have an active superintendence of an extensive business. I am also gratified at the decidedly moral and religious influence which your books will exert, and cannot but hope that they will do much to counteract the effects of that light and immoral literature which deluges the land, and, like the frogs of Egypt, comes up even to the kneeding troughs of our kitcheas. May you live long to follow your plans.

Respectfully and sincerely, your obliged servant, EDWARD HITCHCOCK.

The works alluded to as having been examined and recommended, are as follows: A new and popular Pictorial Description of the United States, Pictorial History of the American Revolution, Seenes and Sketchesof Continental Europe, Description of Great Britain and Ireland, Pictorial Family Annual, Tressury of Knowledge, Information for the People. The Family Instructor, Pictorial Sunday Book, Bible Biography, Bible History, and second series of The Wonders of the World.

Gentlemen of respectability and of good address wanted to sell the above popular Pictorial Works. Full particulars of the principles and profits of the Agency will be given on application either personally or by lotter. The postage must in all cases be paid.
